

### **Minutemen and VFC T1 Request Process**

T1 rosters are an official USA Hockey roster that is requested by a team (via Hockey Office) and approved by USA Hockey. T1 rosters are often required by tournaments, but not always.

If you need a T1 please contact the Hockey Office with the following:

- Complete list of players
  - First and Last name
  - DOB
  - Current team and level (in case they are an addition for a tournament)
- Complete list of team staff – coaches and managers
- USA Hockey registration for all of the above (if you have provided this to the Hockey Office previously, you are not required to provide it again)
- Level you are competing at for the tournament
  - NO PLAYER CAN BE FROM A HIGHER LEVEL THAN WHAT YOU ARE COMPETING IN ANY TOURNAMENT
- The T1 will be returned to the original requestor to forward on to their tournament

All T1 requests should be requested 2 weeks prior to event. We create the T1 roster then submit it to USA Hockey for approval. We cannot control how long this process can take.

All teams will get a T1 in December to show your “locked in” roster for the remainder of the season.

All T1 requests should be directed to Brian Reagan, [vfcpd@yahoo.com](mailto:vfcpd@yahoo.com).
